McKenzie Towne Family Dental
Family, Cosmetic & General Dentistry

We offer our new and existing patients flexibility and accuracy in paying for dental treatment with the following options. Please take a minute to review them, and decide which option BEST works for you.

OPTION 1 - NON-ASSIGNMENT

This is the most popular option and by far the easiest! You will be in control of your insurance benefits, **by paying in full for treatment at each appointment, and being reimbursed directly by your insurance company**. This allows you to keep personal records of all dental transactions, insurance reimbursements, and to track how close you are to using your yearly maximum of benefits. You never have to worry about having outstanding account balances with us, and you will not have to come in to collect monies that we may owe to you due to any overpayment at your last visit. Insurance companies reimburse patients within 1-4 business days after receiving the dental claim! We can send electronic or manual claims for you at each appointment and assist you in any way we can in claim submissions.

I agree with the policies outlined in Option 1, and will sign below.

OPTION 2 - ASSIGNMENT with VIP Express Checkout Program

Our VIP Express Checkout Program authorizes McKenzie Towne Family Dental to Accept Assignment (Payment) of Benefits from your Insurance Carrier. It does not allow your insurance company to release any other information to us, due to the Health Privacy Act. We want to make you aware that we may experience some difficulty in communicating with your insurance company, and ask for your cooperation, understanding, and patience. Dental Providers usually receive insurance payments 2-3 weeks after date of service.

We will direct bill your insurance company, receive that payment, and you will be responsible to pay any remaining balance afterwards. All accounts must balance zero within 30 days after insurance claim is paid to our office, therefore we require a credit card to be left on file in order to set your account balance to zero.

I agree with the policies outlined in Option 2, and will sign below authorizing McKenzie Towne Family Dental to process a payment to set my outstanding account balance to "zero" by using the given credit card I have provided for any dental claim not paid by my insurance company within 30 days. A receipt for this transaction will be mailed with a paid statement. In order to join our VIP Express Checkout Program, please fill out the following requested information. This information will be kept confidential and used only upon the agreed terms.

I authorize McKenzie Towne Family Dental to keep my signature on file to issue any credit/debit memos, as well as outstanding payments after 30 days after all my insurance claims have been paid, to my Credit Card account. I agree that it is my responsibility to follow up on my account status after 30 days of my visit. I agree to keep McKenzie Towne Family Dental updated with a current credit card. This credit card information will be kept on a separate confidential file that is secure.
